

A Member of the New York 10-13 Associations of America, Inc.
A National Organization of Retired & Active New York City
Police Officers.

Greetings to my Brothers/ Sisters in Blue,

Our February meeting was attended by our 1013 COO Al B and Brevard County 1013 President Marco. Both were impressed by how many attended our monthly meeting. I have mentioned to both in the past many times that it's our members who make meetings like this possible. A good board can only be successful with the contributions of its members. On that note, we the Board of the Treasure Coast 10-13 thank each one of you.

We welcomed 4 new members for the month of February. Bill G, Robert L, Richard C and Ronalo O. If we continue membership growth, we will need more tables and chairs!

Membership is overdue. If you have paid your 2024 dues, Thank You. For those who didn't should start receiving an email. If you are unsure, please talk to Maria.

Our yearly participation for the City of Port Saint Lucie's / Friendly Sons & Daughters of Ireland Saint Patrick's parade is Saturday March 16, 2024. The parade will be held at Midflorida Event Center 9221 Se Event Center Place, Port Saint Lucie FL 34952. The parade starts at 11 am. Those who signed the list should be at the location no later than 10am so that we can line up. Wear your NYPD gear. For those who are associate members, wear your department gear. Let's represent our NYPD and other police agencies! Friends, family and even neighbors are more than welcome to join us. The more the merrier. At this point, we will not know our location in the parade. But all you have to do is look for us. My wife Cristina and I will be there early. The parade usually lasts roughly about 20 minutes or so. After that, enjoy the festival and all the St. Patrick's Day festivities and the carnival.

April 6th is our annual BBQ at Sandhill Crane Park 2355 SE Scenic Park Dr, Port St. Lucie, FL 34952 from 12 noon – 5pm. Costs \$10/person. We moved up the BBQ from the end of April to the beginning to try to beat the flies. No one wants a fly with their burger. HA! We are in need of items to raffle off, whether it's a basket, a bottle of alcohol or new items. Cristina and Lauren will be their usual busy bees making items. There are **NO PETS** allowed at this park. Previous years, we noted the no pet policy to our members, but a few pets were in attendance. This year, when we signed our contract, we were reminded. They've let the previous years slide, but this year our members who bring their pets will be asked to bring them home. So please, as much as we love our pets, they'll have to sit this one out.

Social Security Not Taxed If New Bill Passes. About 40% of Social Security recipients pay federal income tax on a portion of their benefits. House Bill 7084 The You Earned It, You Keep It Act, introduced in the House this past January, calls for eliminating tax on Social Security income. If passed, the law would become effective in 2025. You can track the bill here: <https://www.congress.gov/bill/118th-congress/house-bill/7084/text?s=2&r=26&q=%7B%22search%22%3A%22actionDateChamber%3A%5C%22118%7CH%7C2024-01-25%5C%22+AND+%28billsReserved%3A%5C%22N%5C%22+OR+type%3A%5C%22AMENDMENT%5C%22%29%22%7D>

In a move to combat crime on platforms and trains, NY Governor Hochul is deploying 1,000 members of the State Police and National Guard to the NYC transit system. These surges are likely the result of the failure of the left's approach to crime. Their approach includes protecting criminal aliens, eliminating bail and releasing arrestees upon booking, undercharging or simply failing to prosecute arrestees, cutting police budgets (defunding the police). Former Police Commissioner Bernie Kerik noted that "the NYPD knows their job" — suggesting they don't need the state law enforcement help to conduct bag checks in the transit system. "Give them the tools and laws they need to do the job and we wouldn't have this problem!" Kerik wrote "This isn't brain surgery. We've done this before, and we did it better than anyone in the country. It can be done with the right leadership!"

Below is a synopsis of information that came from the SBA Fund Administrator Errol Ogman: "The Non-Medicare retiree/Active plan Negotiated Acquisition (NA) or RFP search has come to a head. There are two finalists vying for the contract, AETNA and United Health Care partnered with Emblem Health. NYC OLR prefers Aetna and The MLC wants UHC + Emblem. This conflict has brought serious conversation on awarding both companies the contract and giving members a choice of both programs. Either way this change will mean all the other programs currently offered ex: Empire EPO or Aetna EPO, Cigna will be terminated. These new plans will have National Provider Networks. There are rumors that this new plan will be effective July 1, 2024. There is no way this will happen. The earliest date for implementation of the new plan, when officially decided, will be January 1, 2025. There is also a rumor that those residing outside NYC metro area will be charged a premium. I have never heard that said at any meeting ever!!!! I believe it is not legal, under Admin Code 12-126, as shown in the MA Plan case, to charge premiums to active and retirees, and OLR_NYC certainly does not want another battle and obstacle in their path to implementation and their ability to receive the savings projected due to the vendor changes. The Medicare Advantage and its multiple parts are still navigating through the NYS Court of Appeals. The actual legality of the lone implementation of the MA Plan or the premium payment for participation in the Senior Care plan has not made it to the Court of Appeals Both parties have provided Memorandums of Law defending their positions on the \$15.00 co-pay. The other issues are pending. Remember NYC OLR has to show that Judge Franks decision, on setting the injunction was flawed and they are requesting to have the preliminary injunction vacated. The decision was already appealed to a five-justice panel whom voted 5-0 upholding Judge Franks decision so the OLR-NYC have a heavy lift to have it repealed".
